

# The KäseStrasse Bregenzerwald

## Visit the Bregenzerwälder Käsekeller | Lingenau

Discover more about the history and the origins of the KäseStrasse Bregenzerwald. In a film accompanied by expert presentation, we will tell you about the beginnings of the “cheese association” and its distinctive features. Peer beyond the glass wall into the **Bregenzerwälder Käsekeller** – Europe’s largest maturation and care centre for mountain and Alpine cheeses. Afterwards, sample our cheese specialities and comfortably conclude the tour in style. Speciality cheeses and regional products from our members are available for purchase in our shop. We would be happy to provide additional information about excursions and possible attractions you can visit along the KäseStrasse Bregenzerwald route.
